Charlestown High School

Charlestown, Massachusetts

Foreword

Space travel, supersonic missiles, the jet age, rapid advancement--the world today. Are we ready spiritually, mentally, and physically to meet the challenge which awaits? Can we take our place in society as loyal citizens and as lovers of God and the rights and freedoms of man?

For three years we have been preparing ourselves for the day we could graduate from the world of proms and report cards, cokes, and Mary Ann's Lunch, detention and homework, into the world of maturity, decision, and responsibility which come with adulthood.

Our senior year, the most important of our school lives, has come and gone. Certainly, it was one of the most eventful years in the history of Charlestown High School. How can we forget the jubilation after the South Boston football game? How can we forget the lumps in our throats after the Tech and Hockey Tournaments? The tears we shed were not the childish tears of disappointment, but, instead, they were the grown-up tears of pride and appreciation for a job well done.

Parents, teachers, coaches, and the grace of God have helped us through trying times, important tests, and crucial games during the past three years, and we have always managed to come out on top.

How can we express the gratitude in our hearts? By stepping confidently out into the world and meeting, accepting, and satisfactorily completing all duties directed our way.

We are ready.

DEDICATION

CHARLESTOWN HIGH SCHOOL BOOSTER COMMITTEE

2nd ROW: Eugene Hennessy, Mary Crilley, Katherine Lynch, Ann Crilley, Agnes O'Neil, Jennie Titcomb, William Hennessy. 1st ROW: Margaret Sullivan, Kathleen Whelan, Rose Lyman, Ellen Flanagan, Agnes Melanson. Not Pictured: Marie McGrath, James McGrath.

The Charlestown High School Booster Committee has, in the three short years of its existence, contributed much to the success and welfare of Charlestown High School students.

Scholarships, science awards, sweaters, jackets, and banquets for championship teams, hockey sticks, baseball bats, and other sports equipment are but a few of the contributions of the Charlestown High School Boosters. The list goes on and on.

Unselfishly these loyal supporters have given generously of their time, energy, and money, and have asked for nothing in return. They have given all this to Charlestown students who can, in return, give only their heartfelt thanks.

In appreciation, we, the Class of 1961, lovingly and gratefully dedicate our Year-book to the Charlestown High School Booster Committee.

Our Head Master

LOUIS R. WELCH, HEAD MASTER

TO THE CLASS OF 1961:

When you entered Charlestown High School in September of 1958, you were children. Now, as you graduate in June of 1961, you are men and women. At least, we think of you in that way; we hope that we are sending out into the colleges, the business schools, the electrical schools, the Armed Services, and the great world in general, young men and women who have been instructed, trained, and guided so that they are ready to take their rightful places in that mature world.

Many of you have learned the meaning of the word FIGHT during your three years in our school. Some of you have learned to fight for victory on the athletic field; some have had to struggle to learn how to accept gracefully defeat as well as victory; some have had to fight a combination of personal weaknesses and outside circumstances to win a diploma.

As you leave us, with your diplomas, we wish you good fortune and happiness. With even more fervor, we wish for you the strength and courage always to fight for what you believe is right.

And so we wish the Class of 1961 Godspeed.

Memories Are Made of This

YEARBOOK STAFF

Last fall we were given the task of writing a history book. This history, however, was to be unique in that it was not intended to be the story of the founding of a country, the history of the fight for independence, or the chronicle of the World Wars. It was, instead, to be the three-year record of the Class of 1961 at Charlestown High School.

So we began the task of gathering pictures, stories, and memories. During the long meetings and discussions that took place during the year, uppermost in our minds was the fact that, while the Yearbook was to be a record of our accomplishments, both scholastic and extracurricular, and of all our activities, it was also to be a tribute to the Class of 1961.

As you read these pages now and in the years to come, we hope that your high school days will be as clear in your minds as they were when you were a football hero, a rah rah girl, or the belle of the Senior Prom.

To keep Charlestown High School's memory green in your hearts, we think, is the true purpose of the 1961 Yearbook. We all hope that you will think that we have achieved our purpose.

THE YEARBOOK STAFF

AFTERPIECE

The Yearbook is the work of the Yearbook staffs, both literary and business. The advisors serve only, as their title implies, to advise (and consent). This year the faculty advisors wish to pay special tribute to the intelligent and devoted work of both staffs. They know better than anyone else the long hours and hard work that both staffs put in. Eileen McCarthy, the Editor-in-Chief, and Marilyn Semonian, the Business Manager, deserve, and hereby receive, special credit.

THE UNTOUCHABLES

"They broke the ice on the Gridiron." For the first time in the history of Charleston High School the football team captured the District and the Conference Championship of the City of Boston. Of all the unsung heroes of this football team, and there are many, great praise would have to be given to the two men, Coach Frank Power and his assistant Jeff Keating.

Led by its All-Scholastic end Capt. Doug Titcomb (Thom McAn Award winner), and All-Conference Co-Capt. Bob Millerick, Charlestown achieved the incredible record of seven wins and no defeats. Halfback Paul Troy also made the All-Conference team. Other outstanding seniors are: guard, Ed Collins; quarterback, Jim Doherty; halfback, Gene Flanagan; tackle, Al Freker; end, Bob Gillis; end, Ed Lynch; center, Frank Marino; back, Jack McMakin; and guard, Tom Melanson. Other seniors whose efforts made this great football feat possible are George Beals, Jim N. Doherty, Dan Hourihan, Paul Howell, and Babe McCluskey.

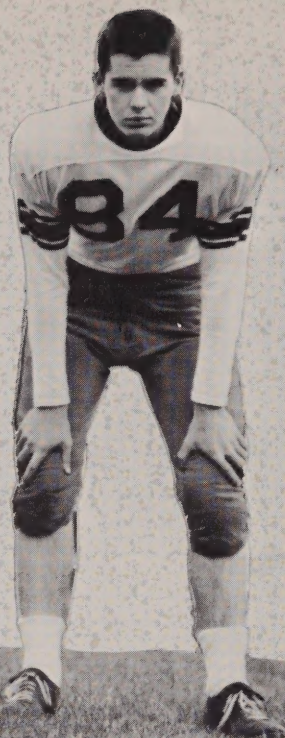

On Knights of Columbus Sports Night Doug Titcomb received the Most Valuable Player Award, Paul Troy the award for Outstanding Achievement, and Gary Carvalko, a bright-looking prospect for the next year's squad, received the Unsung Hero Award. Other potential prospects returning are next year's Co-Captains Fred (Buster) O'Brien and Jack Heelen. "Let's bring home another championship, next year's squad."

C.H.S. BASKETBALL

Our basketball team made the Tech Tourney again this year, only to be ousted by Danvers in a very hectic ball game with a score of 60-57. Its record for the District League was a proud 9 wins and 3 losses.

The team faltered in the early stages of the season when Bobby Gillis sprained his ankle, missed a few games, then limped through several others. However the team became stronger and more confident as the season went on. This was evident when they defeated Jamaica Plain on their home court, after a previous defeat by Jamaica Plain on our home court.

The team was captained by Bobby Gillis and Doug Titcomb. Bob carried the burden of scoring for the team. Doug sparkled with his play-making prowess. Bill Power came through with the extra points that counted. George Beals was as dependable as always. Billy Burke was there when needed. These are the seniors who are saying goodbye to CHS Basketball. But they leave the tradition of a fine ball club in the hands of next year's squad. The juniors who take over next year are George "Pee Wee" Garceau, a fast play maker; Vinny Sabella, an aggressive rebounder; Dickie McCarthy, a smooth ball player; and Charlie Venuti, a rugged rebounder. The two sophomores standouts were Tony Loungo and Adie Dureas. Sophomore Walter Stella was moved up from Junior Varsity as a reward for faithful service.

The members of the team attribute their success to their coach, Jeff Keating, who made such a great season possible.

HOCKEY, 1961

This year's hockey team had, as is usual at Charlestown High, an excellent season. They finished the regular season with the commendable record of 10 wins and 1 defeat. That one defeat, at the Hands of Hyde Park, was the first defeat of a Charlestown team during regular season play in the past three years. For many of the members of this year's team, it was their first loss.

The team finished as runner-up for the District Crown, which was won by Hyde Park, and were invited to play in the Eastern Massachusetts Tournament.

The excellence of the team is proved by the fact that five players, Collins, Feeney, Boyle, Melanson, and Flaherty, were named to the District All-Star Team. In the game between the District and the City All-Stars, won by the District, Charlestown players accounted for all the scoring. Tweeto Collins, always a rock of strength, was this year's outstanding not only in the team, but, in the opinion of those well qualified to know, also in the city.

Once again the team stresses the importance of its coach, Dr. John A. Tyrell, who has done so much to maintain and further the tradition of great hockey at C.H.S.

BASEBALL--1961

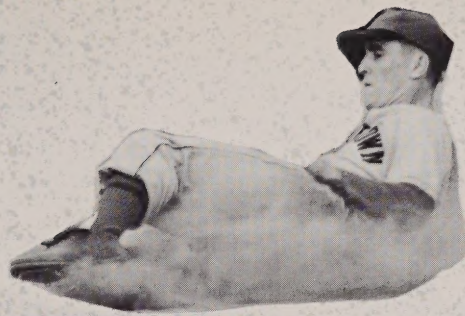

The 1961 Baseball team finished second in the Boston District League. After defeating the Catholic champions in the first round of the State Tourney, they lost in the quarter finals.

Co-Captain Doug Titcomb was elected to the All-Scholastic and All-Boston teams. Co-Captain and catcher Frank Marino received honorable mention. Seniors other than our co-captains who were the back bone of the team were courageous Jack Rolinson, who returned after a serious accident to sparkle in the tournament; George Beals, our first baseman, who, after a slow start at bat, drove in six runs against Catholic Memorial; spectacular Bob Shea, the finest outfielder in the city; and flashy Gus Marino, our third baseman with the beautiful swing.

Underclassmen returning are second baseman Vinny Sabella, left-fielder Joe Carbinello, right fielder Mike Callahan, shortstop Anthony Luongo, and reserves John McCabe, Wendell Fidler, Walter Stella, Sam Marino, and Charlie Venuti.

SECOND ROW: Gillis, Leonard, Troy, Dow, Benson, Grady, Heelen, Donovan, Shepherd, Flanagan, Major Stewart, Coach. FIRST ROW: McAnn, Taylor, Doenges, Randlett, Malloy, McInnis, Corse, Szczepkowski, Marsden.

The 1960-61 track season was a disappointing one in many respects; the squad had no record-breakers, or even record-holders, and neither indoors nor outdoors did the squad capture a title. Charlestown's long supremacy in Cross-country was finally lost. Yet the year was not wholly a disappointment; many of the sophomores and juniors on this year's squad show excellent promise for next year, and with a little bit of luck and a lot more boys out for track, the prospects are good. No other sport depends so much on numbers as track. There were many times this year that, with a few more boys competing, we could have made a fine showing. Track has always been great at C.H.S. We have one of the best coaches in the business in Major Stewart. Track can be great again. Let's make it that way!

CHARLESTOWN HIGH SCHOOL CHEERLEADERS

Our enthusiastic cheerleaders of the 1960-61 season shared the great success of the Conference champion football team, and cheered the basketball team to the Tech Tourney. The cheerleaders enjoyed a victory of their own by scoring second place in the City of Boston cheerleading competition. Their many hours of practice were rewarded. Credit goes to Miss Barbara Johnson for her confidence and assistance which made success possible.

At the annual sports banquet given by the Booster Committee, the cheerleaders received sweaters for their loyal support of the teams in the past year, and they presented Miss Johnson a plaque as a remembrance of the cheerleaders of 1961.

The nine departing senior cheerleaders, led by Captain Rita O'Neil and Co-captain Eileen Farren, wish the new cheerleaders and Miss Johnson the best of luck in the coming year.

CHARLESTOWN HIGH SCHOOL SCIENCE CLUB

2nd ROW--Rose Strano, Francis Venezia, Joseph Marsden, Walter Stella, James Jones, Barbara Doherty, Beverly Sullivan, Carol Homer, Etta Gould. 1st ROW--Dorothy Magaldi, Patricia Green, Florence Tochtermann, Eileen Farren, Pat Kirk, Cynthia Brady, Dr. John Tyrell.

Under the direction of Dr. John A. Tyrell, the Charlestown High School Science Club of 1961 proved to be a great success. The officers were Marilyn Semonian, President; Eileen Farren, Vice-President; Edith Doherty, Secretary; Cynthia Christmas, Treasurer; and Eileen Tkachuk, Librarian. Early in the year the club conducted a field trip to the Hayden Planetarium which everyone enjoyed immensely and found most interesting.

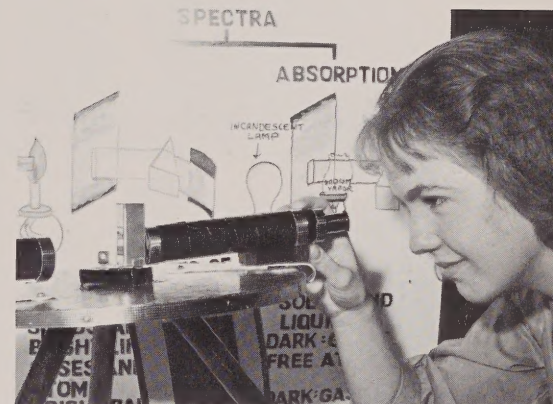

This year's Science Fair was the largest ever to be held at Charlestown High. With 200 exhibitors, the cost of the Fair increased immensely. Therefore, during the year the Science Club presented films on science, the proceeds of which were used to help defray the expenses of the Fair. The exhibits were judged by the faculty and then the Fair was open to the public. Members of the club gave demonstrations of modern scientific achievement. The audience was flabbergasted by Pat Kirk's flying rocket. The Charlestown High School Booster Club donated \$25.00 War Bonds to the first prize winners, Cynthia Christmas and Eileen Farren; and \$12.50 in stamps to each of the second prize winners, Cynthia Brady, James Jones, and John Upton. These students entered their projects in the Boston Science Fair, where Eileen Farren received second place. The first prize winners also entered their projects in the State Fair held at M.I.T.

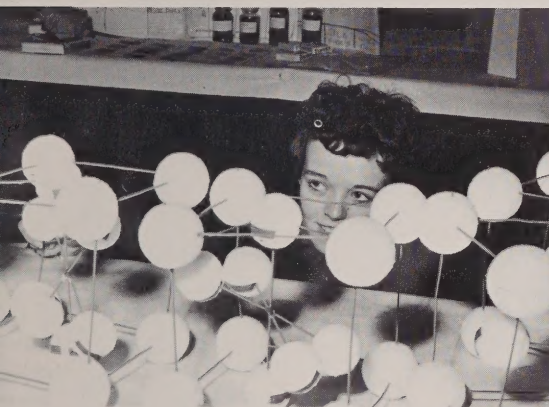

A view of the most successful Science Fair ever.

Eileen Farren--1st Prize--Chromatography.

Cynthia Christmas--1st Prize--Spectro-

Bunker Hill Chapter National Honor Society

Left to right: George Humphries, Edith Doherty, Thomas Craven, Patricia Kirk, John Upton, Cynthia Christmas, Eileen McCarthy, Marilyn Semonian, Alice Tracy, Paula Iacobone, Eileen Farren, Florence Tochtermann (Not pictured: Eileen Coughlin).

The members of the Bunker Hill Chapter of the National Honor Society have received one of the highest honors which Charlestown High School can bestow upon its students. Boys and girls who are selected for membership in this society, which has chapters in secondary schools all over the country, must be outstanding not only in scholarship but also in character, leadership, and service. In other words, it is not enough to have good marks; members must also be active in extracurricular affairs, they must contribute something to the school, they must be leaders among their schoolmates, and they must have integrity and strength of character.

The faculty and student body are proud of these people shown here on this page. Their example should inspire others to strive for the honor of being elected to membership in this distinguished society.

A BIG
FUTURE
FOR
ANY GIRL

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
